

**Mansi Sonavane**

has received the Brilliant of the Month from **Rakesh Kumar**

a month ago

## **Brilliant of the Month**

Mansi has demonstrated exceptional performance since joining the team a few months ago. Despite her relatively short tenure, she has been contributing at the level of a seasoned Backend Developer. She consistently keeps her work on track, meets sprint deadlines, and actively supports the technical grooming of the Chennai team. Always willing to lend a hand, Mansi has gone above and beyond on several occasions to ensure tasks are completed as planned.
